

Pimp your pony!

Wanting to go to that horse show but your horse is too hairy?

Do you have a cushings horse that struggles with the summer heat due to their coat?

Want to get rid of that Winter fluff?

**LOOK NO FURTHER!!
TEAM TVC IS
HERE TO HELP**

We are now offering a horse and pony clipping service. Clips can be for aesthetic or medical reasons, we can accommodate to you and your horse's needs. Come in and see Tina and Britt to discuss and don't delay!

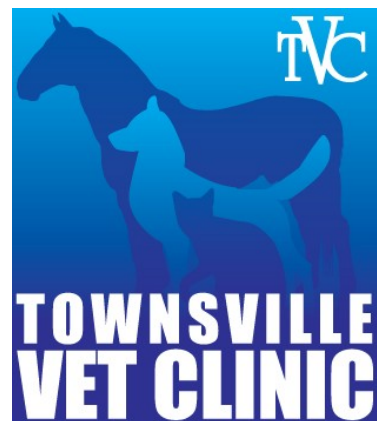

Pony have a winter coat and cant see his eyes?!

Our pricing is competitive and sedation is available if needed. Why not have your horse's dental, FEC +/- worming and vaccinations done all at the same time?! One trip makes it easier! Find out about our grouped pricing where you can receive great discounts!

*Horses must be up to date with Hendra vaccinations
